

Cambridge filming locations walk

10 stops | Allow 3-4 hours with stops | Approx. 3.9 km / 2.5 miles

Indicative route; use signed public paths.

© OpenStreetMap contributors.

1. Cambridge railway station

Start: Station Road forecourt.

2. Parker's Piece

Public paths beside the common.

3. Market Square and Guildhall

Working market and civic centre.

4. King's Parade

Views from the public street.

5. Queens' Lane

College entrances have separate rules.

6. Silver Street / Mathematical Bridge

See the bridge from Silver Street.

7. The Backs

Use permitted public river viewpoints.

8. Trinity Lane / St John's Street

Continue on the public streets.

9. St John's / Bridge of Sighs

College access is controlled.

10. Jesus Green / River Cam

Finish beside the River Cam.

Before you go

Check college visitor pages on the day. Admission and boat trips are optional extras.

Cobbles, uneven paving and narrow passages mean this is not a guaranteed step-free route.

Distance is measured along the schematic line; detours and college visits add distance.

St John's grounds were closed to tourism when checked on 24 October 2026.
